Storage Tips

- Keep track of your inventory. Print out the inventory sheets and keep them in a safe place after you have filled them out.
- Plan your storage by how often you will need to access Your inventory. Remember to make a walkway to save unnecessary moves later.
- Do not store anything “Combustible” (i.e., paint; paint thinner, gasoline, solvents, etc.)
- Use uniform boxes as much as possible. They will stack better.
- Always pack boxes as full as you can. When you put something on top of the empty space it will collapse.
- Heaviest boxes on the bottom. Be safe don't stack too high.
- Fragile items should be wrapped in paper or bubble wrap and packed in sturdy boxes. **DON'T FORGET TO MARK THE BOXES FRAGILE!**
- Cover furniture to avoid scratches and tearing upholstered furniture.
- Furniture (dressers and armoires) and appliances (refrigerators and freezers) with open spaces are excellent places for storage.
- Remove the legs of the dining tables to increase space
- Sofas and Mattresses can should be covered and stood on end to minimize the space they take.
- Heavy and sharp objects should be handled with care. Beware of where you put them, keeping in mind that they might seriously injure someone or yourself. **SAFETY FIRST!**
- Consult the experts at **OHANA Self Storage** on anything. We are here to help!
